Notification

Riverdi announces the PCN for 7.0" Tablet of following PN:

NO.	CURRENT P/N	NEW P/N
1	RITAB-70	RITAB-70 V2
2	RiTAB- 70 – FR	RiTAB- 70 – FR V2
3	RiTAB- 70 – ST	RiTAB- 70 – ST V2

The PCN is caused by the change of CPU from old MT8127 (EOL by Mediatek) to new MT8163. Modules with the new CPU will replace the old modules in accordance with the FIFO policy.

New datasheets will be published on demand and after actually introducing a new module. Riverdi will provide new modules marked with "V2" at the end of PN.

For more technical information, please refer to last section "**Detailed change description**".

Detailed change description:

All modules will be fully compatible as to the mechanical specification and electrical parameters.

The table below describes the differences in detail between the modules.

Model No. Item	RITAB-70 (old version)	RITAB-70 V2 (new version)
